Company Mission:

Products for Good is committed to donating 100 percent of its profits to the USO and its programs that support those who have served our country and their families. And in keeping with its mission to make every gift help as many as possible, each shadowbox is assembled at Cleveland Vocational Industries, a facility that provides work opportunities for mentally and physically challenged individuals.

Media Contact:

Seton McGowan, Mullen
336.774.9226, seton.mcgowan@mullen.com

Official Spokesperson:

Lee Greenwood, country music legend, two-time winner of the CMA's Male Vocalist of the Year Award and creator of the ballad "God Bless the USA"

Chief Charitable Beneficiary:

Products for Good is honored to partner with the USO and support its work in positively contributing to the morale and personal welfare of U.S. military personnel and their families.

Products for Good is pleased to support USO programs, including:

**The USO Warrior Family Support Centers**

Long-term initiatives designed to support America's wounded warriors and their families through a variety of professional services and partnerships with community-based organizations.

The United Through Reading's Military Program

A partnership that enables servicemen and servicewomen to read children's stories on DVDs and send the DVDs home to their children who miss them so much.
